All these must be completed prior the CEST 2017 in March. JH has been trying to have the surveyors and the ice "resurfacers" come together but it has been difficult. So far, on Sunday March 13/17 the dots will be redone; the surveyors will be coming on Monday March 13/17 – JH to be in attendance. If there are any costs, it will be covered by Stephane Rollin (see attached email.)
